

Ethical Leadership

Jay Wang – BUAD 302

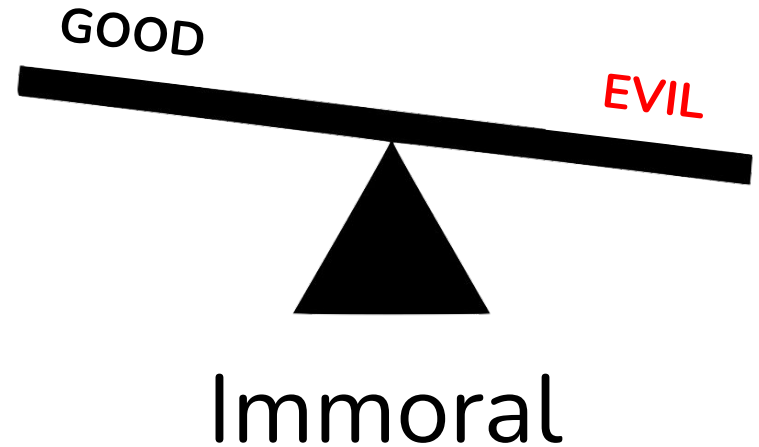

“When making moral decisions, we are advised to select the action which produces the **greatest amount of good** for the **greatest number of people**”

Jeremy Bentham & John Stuart Mill
Ethical Theory of Utilitarianism

If the balance of
good outweighs
the balance of **evil**

If the balance of
evil outweighs the
balance of **good**

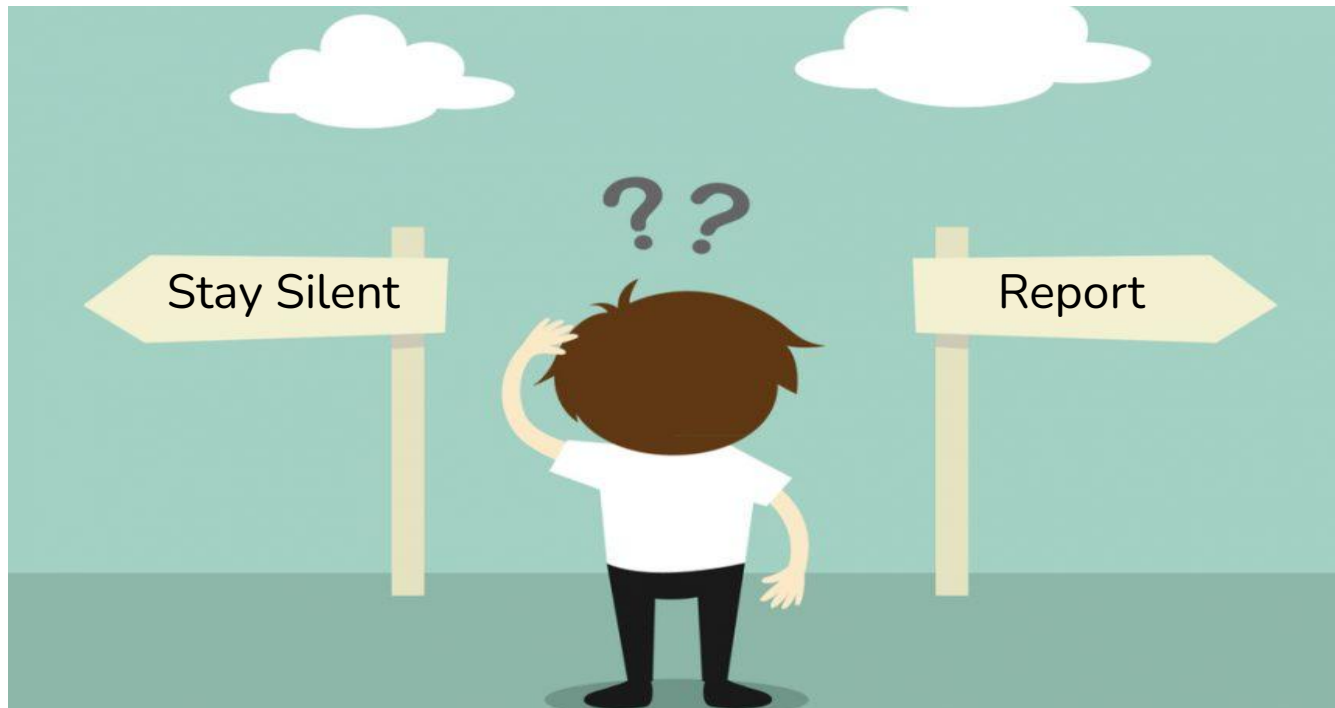

ASB President

- Responsibilities
- Ethical Decision Making
- Public Image/ Reputation
- Representing the entire student body population

What to do?

Bentham & Mill's Utilitarianism

Good

- Elected by the student body

Evil

- Enabling this person's actions
- Amplifying his voice at our school
- Allowing someone with a predatorial past to be a student representative for our school
- Potentially putting other ASB officers at harm
- Could use his power in ASB to excuse his actions

In conclusion
