Project Scope

Evaluate **current digital presence**
and leverage social media
marketing strategies to **promote**
brand awareness and increase
their online **engagement**

Instagram Findings

Content is too
professional and
business-like

Posts have
inconsistent
themes

Captions are
uncompelling
and generic

Conclusion

Key Features

- Aesthetically pleasing and cohesive feeds
- Trend in content (recipe reels, new flavors, highlights, giveaways)
- High engagement measured by likes and comments

Key Features

- Content is very casual and comedic
- Drinks aren't the main focus of the videos
- Follows current memes and trends on the app

TikTok Competitor Analysis

Food Accounts

@emilymariko, @nabela, @foodmymuse

Key Features

- Quick, smooth editing
- Emphasis on food preparation
- High video and audio quality

Key Takeaways for Instagram

Diversify content

Have a consistent theme

Increase entertainment value

Specific posts generate
higher engagement
